2010 NATIONAL MULTIPLE BIRTHS AWARENESS DAY "Canada's EI Parental Leave must reflect the needs of multiple-birth infants"

Awareness Day organizers encourage you, MBC Chapter or your non-member multiple-birth group to get involved! Resources are now being produced for a variety of activities including:

- A rally on the lawn of Parliament Hill in Ottawa on May 28th
- Local rallies in front of Members of Parliament offices across Canada also on May 28th
- A call for qualified expectant parents of multiples to both apply for EI Parental Leave
- A call for all supporters to send a letter to the Minister of Human Resources and Social Development Canada and to Members of Parliament requesting a review of EI Parental Leave.

MBC Chapters and non-member multiple-birth groups are also planning fun activities for their local multiple-birth community, such as picnics and visits to amusement parks.

What will you and/or your group be doing? Choose one or more activities to organize or participate in. Then, visit this link www.surveymonkey.com/s/Q6FLWKB to register your intentions. This information will be used to database the support being given to this year's theme.
