### 2011 MBC AGM and Conference Registration October 13-16, 2011

#### **Register Now - Pay Later!**

Windsor/Essex POMBA is excited to announce that registration is going well and many of you have taken advantage of the Early Bird Special! It is great to see a mix of familiar names with a long list of new people we are anxious to get to know!

The Committee asks that you **register now and make your payment before September 19th!** Registration can easily be accomplished through their online registration form and payment made through PayPal. Please take a look at all that this conference has to offer and start to make your plans ASAP! The earlier you register the easier it is for them to finalize plans for the conference in advance.

Make sure to book your travel and your hotel rooms soon! Take advantage of seat sales - Porter recently announced a 30% savings should you live in a region where Porter flies. When your travel is booked make sure to contact the Host Committee to let them know your schedule so they can make sure someone is there to pick you up at the airport or bus/train station.

They have made it really easy to register, they are offering opportunities to learn more about you, your family or your Chapter. So all we need is you!
